QUALITY OF LIFE PROGRAM
FUNDED BY DONATIONS

The Buffalo Sabres Alumni Association has been a dedicated partner of Roswell Park for more than 20 years, often focusing its giving toward efforts that positively impact women with cancer. Elevate Salon is made possible in part by a generous gift from the Sabres Alumni in support of patients who will seek comfort and peace there. This new space has also been made possible through the generosity of Michael and Kirsten Lawley and the Lawley family, as well as Bunkie Hawk.

The 11 Day Power Play recognized the crucial need to expand the current Resource Center for cancer patients at Roswell Park. Founders, Mike and Amy Lesakowski, have been inspired by their experience with cancer to support Roswell Park through their fundraising event The 11 Day Power Play. Since year one, The 11 Day Power Play has donated over \$5.5 million in a pursuit to support Roswell Park's mission. The Resource Center's name recognizes the event's significant and continued dedication to initiatives at Roswell Park.
