TLC Prom: A Moonlight Masquerade to Remember

Teenage cancer patients celebrated a night they'll never forget at the third annual Teens Living with Cancer (TLC) Prom held on Friday, June 3. The TLC Prom is held especially for young cancer survivors who may not be able to attend their high school's prom because of their diagnosis. The event allows the teens to celebrate a rite of passage with peers who understand what they're going through.

Thanks to the Montgomery Family Foundation, this year's prom-goers and their dates were treated to a memorable evening at no cost to them.

The night kicked off with a pre-prom celebration at Roswell Park where makeup artists and hair stylists from Sephora, Vanity Salon and Signature Salon offered complimentary services to the teens to make them feel beautiful on their special night. To go with this year's Moonlight Masquerade theme, Roswell Park provided the teens with a selection of gorgeous masquerade masks.

Two limousine buses, courtesy of Buffalo Limousine, chauffeured the teens to Hotel Lafayette, where volunteers from Clarence High School's football team and Elly's Angels Foundation then escorted them to the hotel's Greenhouse Room for the main event.

The teens were treated to a buffet dinner followed by a show from Nitro Magic Ice Cream and delicious cupcakes donated by Dessert Deli Bakery. The night was filled with smiles and dancing as the teens enjoyed a DJ, caricature artist and photo booth!

The prom-goers weren't the only ones having fun, though. Parents enjoyed their own party at the Pan American Grill & Brewery, sponsored by Kaely's Kindness Foundation.

"It's really special because they all understand what everyone else has been through and it's just a big bond they have like one big family," said Roswell Park's Pediatric and Teens Program and Event Coordinator, Kelly Callahan. "It was a wonderful night for these deserving teenagers."

The Roswell Park Volunteer office is pleased to announce the Volunteer Excellence Award winner for the Month of June is Ron Gallagher. Ron has been a Volunteer at Roswell Park Cancer Institute for over three and a half years, in which time he has brought contributed over 1,000 hours of service.

Ron currently volunteers on Wednesdays and Thursdays at the Errand and Escort Desk, and is a current member of the Patient Signature Society -- a group of current and former patients who write notes of thanks to Roswell Park supporters who have made a donation to the Alliance Foundation. He is known for his "how can I help you" attitude and his genuine heartfelt caring nature. Ron's fellow volunteers describe him as upbeat and cheerful, but his biggest asset is his ability to bring a touch of compassion and respect to the patients and staff with whom he interacts with on regular basis.

It is because of his dedication and commitment to the mission of RPCI that we are pleased to announce Ron as the Volunteer Excellence Award recipient for the month of June.

As we have completed one year of this program, please note that the Volunteer Office is looking at making changes and there will be a new volunteer excellence program rolled out in the near future.
